“Where it’s always a great day to be a Ram!”

Dear Havelock Community,

The sights and sounds of Friday night football...it doesn't get much better! I would like to personally welcome each of you to Sasser Field for a night of excitement and sportsmanship. The 2021 season promises to be a great one for the Ram family.

It takes many partners to build a program and legacy like ours. Community partnerships like those with the Havelock High School Athletic Boosters, Havelock High School Band Boosters, and the Touchdown Club help enrich the high school experience for our student athletes and musicians. The coaching staff, directors, faculty, and staff at Havelock High put in countless hours supporting both the athletic and academic success of our students. Their dedication is greatly appreciated. Finally, it is YOU – the parents and community members who complete the picture. Without you, none of this work would be possible.

To our visitors, thank you for joining us under the Friday night lights. Good luck to you and we wish you safe travels.

To our #RamFam, sit back; soak in the sights and sounds; enjoy the moment; and know that you are appreciated.

Sincerely,

Stacie Deaton Friebel

People don't realize how genuine high school kids can be. Kamarro texted me this morning and said "I want your girls to run out of the tunnel with us tonight." Both of my shy girls ran right up to him and gave him hugs and acted like they were on top of the world going through that tunnel. Thanks, Ed, for raising him right. - Coach B. Wooten, 3.12.21

Welcome Back!!

Thankfully we are finally getting to compete – with Ram fans in the stands! It has been very difficult for your Rams Booster Club to continue to support all HHS Athletic Programs with very little new revenue. As you may have noticed, our Havelock Rams are wearing great-looking brand new uniforms thanks in part to the Booster Club.

The Havelock High School Rams Booster Club is made up entirely of volunteers who support the HHS Athletic Program by purchasing needed equipment and uniforms for all sports, in addition to helping with field appearance and enhancements. Plus, we provide special recognition of our student athletes.

As we enter our 59th year of continuous support of ALL our athletes, we sincerely thank you for your support in the past and ask you to please continue to support the HHS Rams Booster Club so we may continue to support our Ram Athletes.

The HHS Rams Booster Club is always in need of new members. Membership is \$20 per year. Meetings are scheduled for the 1st and 3rd Monday evenings during the school year. Stop by Concessions and give us your email so we can keep you informed about our upcoming activities, including the Inaugural HHS Rams Booster Club Golf Tournament on April 24th.

GO RAMS!!!

The Club was established on August 13, 1962.

CLASS OF 2021 - MEN'S SOCCER

3.12.21 Senior Night! I'm so proud of my nine seniors who have helped shape Havelock High School as an up and coming powerhouse in the region. Last night they went out in style and defeated West Carteret High School 4-2. This marks the first winning season in seven years and only the second winning season in 10 years. Next year I'll bring back a loaded and talented squad to compete in a full fall season. (These) unprecedented (times) that we are living in, robbed these players of a full season. I'm proud of the men they have become and the future paths to which they have chosen. This is a special group of young men and validates why I coach.

wishes **Sweep's Luck** to the **Havelock High School Rams**

Chimney Sweeps are regarded as lucky in many parts of the world. The legend had one origin in olde England, where King George was riding horseback in a royal procession. A dog ran from the crowd, barking and nipping at the King's horse. The horse reared, and to the horror of the crowd, almost threw the King! A lone figure, shabbily dressed and filthy, stepped into the road. He caught the horse's halter and calmed the animal.

As quickly as he appeared, the man faded into the crowd. The King, wanting to reward the man, asked his name. No one knew the man's name, but many told the King, "He's just a Chimney Sweep!" The King declared that from that day forward...

Chimney Sweeps should be regarded as Lucky!
